1. By signing this form, you are acknowledging that you are licensed plumber and are aware that you are the only person that can call in for the inspections. The District Office issuing the permit will email a copy of the permit to Troy Gray/I.O. Inspections who will accept inspection requests by the assigned plumber. The plumber/plumbing company will be solely responsible for all plumbing inspections.
2. ***Any additional inspections required beyond the original inspections paid for will require additional fees that will be due and paid to the Hurst Creek Municipal Utility District before re-inspections or additional inspections can be requested.***
3. The plumber is responsible for closing the permit by contacting our District Office and will be responsible for all inspections until permit is closed.

Prior to the start of any work, a licensed plumber must pull a plumbing permit from Hurst Creek Municipal District at 102 Trophy Drive. The District uses I.O. Inspections as its only commercial and residential inspection company. Plumbing inspections are separate from building inspections, which may be required by The Hills Property Owners Association. Work started without a plumbing permit is subject to stop work orders, disconnection of services and rework. The licensed and authorized plumber may contact Troy Gray at <https://ioinspections.com/schedule-inspection> to schedule an inspection after a permit is issued.

All plumbing work performed in the Hurst Creek Municipal Utility District's jurisdiction must comply with the latest adopted Uniform Plumbing Code and all Hurst Creek MUD Regulations.

Applicant agrees to comply with all rules and regulations and pay all established charges and fees of the District now existing and acknowledges responsibility for requesting and verifying all inspections of any plumbing installed.

Applicant Signature (digital or physical acceptable)

Please email completed and signed form to frontdesk@hurstcreekmud.org and pay fees by calling (512) 261-6281 or visiting the office located at 102 Trophy Drive, The Hills, TX 78738, Monday through Friday between the hours of 7:00 A.M. and 11:00 A.M. or Noon and 4:00 P.M.
